How to guide

Setting up your fundraiser...

Step 1 - Choose a fundraising activity. We have lots of ideas in our [pledge pack](#)!

Step 2 - Find our Just Giving campaign page by clicking [here](#) or scanning the QR code

Step 3 - Click on the 'Start Fundraising' button

Scan to find our
Just Giving page

Step 4 - Follow the simple steps set out by Just Giving to create your fundraising page

Your page will be linked to our campaign which means you will have access to our text and images. You just need to then personalise it by writing about your activity or event, you can add photos that connect with your challenge or tell people what taking on the pledge means to you.

Step 5 - Promote your page using social media. Don't forget to tag us so we can share it too!

Thank you for making a pledge for Bamboozle.

You are making a huge difference to the possibilities we can create.
